The monthly newsletter of the Newington Amateur Radio League, Inc.

In this edition you will find details for our next NARL monthly meeting. Columns include the president corner, meeting minutes from past meeting, treasury report and various points of interests.

### **Next Meeting Topic:**

Our next NARL general meeting is Monday August 6, 2018 at 7:00 pm in the Newington Senior Center.

### **Previous Meeting Minutes:** **Newington Amateur Radio League Meeting Minutes – July 2, 2018**

The meeting was called to order by President George Lillenstein, AB1GL, at 7:10 PM with five persons present.

Public Service Chair Paul Labieniec, KB1QQI, discussed plans for NARL's participation in the annual Shriner's run in Newington. It is scheduled for Saturday morning, July 28, and we are recruiting members to help with this public service event.

There were no meeting minutes taken at the June meeting, so there wasn't a Secretary's report to present.

Rich Lawrence, KB1DMX, gave the Treasurer's report, and it was accepted.

Club members discussed NARL's Field Day effort at Mill Pond Park in Newington on Saturday, June 23. Thanks to Mark, NS1T, Chuck, AB1CR, Paul, KB1QQI, and Steve, WV1X, who set up and operated a 1A station. NA1RL was on 40 and 15 meters.

George, AB1GL, attended the New England Division Cabinet Meeting hosted by Director Tom Frenaye, K1KI, in Boxboro, Massachusetts, on June 30. George presented a thorough summary what was discussed at this meeting.

George announced that he is teaching a Technician licensing class on Friday evenings from 7 to 9 PM this summer in Canton.

Respectfully submitted by Steve Ewald, WV1X, NARL Secretary

### **Received this from Paul KB1QQI:**

Hello, I am KB1QQI and I will like to thank all who showed up to help the Shriner's run another well organized 5k Race for "Children with Dyslexia". I like to thank Rose Anne and Rich Lawrence, George Lillenstein, and Dale

Cunningham for their assistance in the race. I will like to apologize to Nick Peruta for a missing his call Saturday night on when to show up to help. I deal with communication so this is my fault. It was a great day and no one got hurt. Thank You all and 73's from Paul Labieniec KB1QQI
