

New Site! - NARL FIELD DAY 2017 – New Site!

Field Day is the most popular on-the-air operating event in amateur radio. It's an opportunity for NARL members to hone our emergency communication preparedness skills and to have fun. We turn an unprepared site into a fully operational ham radio station for 24 hours on the fourth full weekend in June. Amateur Radio operators across the US do the same thing and we attempt to make as many contacts as possible in the 24-hour period.

The site has changed this year to the area near the swimming pool in Mill Pond Park. You can park in the lot for the pool or the lots near the baseball diamond.

This site is open to the public during daylight hours and we encourage and invite visitors. Everyone is welcome to stop by and learn about Amateur Radio, get on the air, or just observe!

Official NARL Schedule:

Saturday June 24

10:00 AM – official setup time begins, per our parks permit

2:00 PM – First official transmission of Field Day contest, per contest rules.

5:00 PM (approx) – Hot dogs and hamburgers, bring your own sides

Sunday June 25

2:00 PM – Last transmission of contest. Breakdown begins

4:00 PM – permit expires, packup complete
